

Consent Form: Interviews

Full Project Title: Understanding the Effects of Transnational Mobility on Youth Transitions
Reference Number: 2017-315

I have read and I understand the Plain Language Statement.

I freely agree to participate in this project according to the conditions in the Plain Language Statement.

I have been given the opportunity to download and keep a copy of the Plain Language Statement and Consent Form.

The research team has agreed not to reveal my identity and personal details, including when information about this project is published, or presented in any public form.

- I agree to being interviewed (via Zoom/Skype or in person) and for this interview to be audio-taped;
- I agree to being contacted for a further two follow up interviews over the course of the project;
- I agree that my participation in other components of data collection associated with this project means that all data I provide can be linked via a pseudonym;
- I agree to non-identifiable statistical data being made available to other researchers via open data repositories at the completion of the project;
- I agree that my non-identifiable data can be used in future research projects that are extensions of, or closely related to, this original project or in the same general area of research.
